FEBRUARY AND MARCH

SESSION : 2018-19

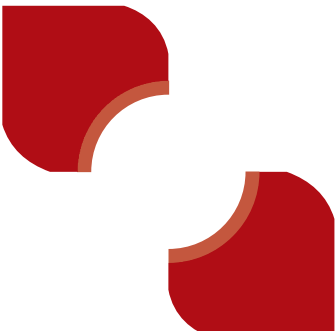

Head Teacher Mr Madhukar Jha

Dear Parents, Family and Friends of OMK

An educational institution owns disparate spheres that crown it with accolades and commendations. They are academics, sports, co-curricular activities and the list seems unending. It can be evidently noted that to hoist the colours of victory in every sphere is utterly intricate and tough. To be very honest to my words, our very own OMK has transpired as a notable winner in every zone. With the belief of not leaving a single stone un-turned, we have been pacing head-on and working hard round the seasons to achieve our unshakeable vision and mission. With the same thought, we have eventually signed-off our another remarkable academic session and are completely ready to embrace another session, that for sure will greet us with innumerable opportunities and we exigently hold the thought that the upcoming session shall prove more promising and help our **Alma Mater** establish the apex as its ambit.

With the above stated expressions, I present before you all the last **NEWSLETTER** of the **session 2018-19**.

FELICITATION OF WINNERS OF HINDUSTAN OLYMPIAD

Rote learning is no more a call of the modern times. A student needs to match up with the growing demands of the field of erudition. To help students develop their knowledge, quizzes and Olympiads play a pivotal role. They compel students to step out of their comfortable cocoons and prove their excellence.

Keeping in mind the necessity of the Olympiads and quizzes for the all-round development of the students, Hindustan newspaper conducted the Hindustan Olympiad on December 12, 2018 in our premises for Grades 1-10. The glittering faces of the children after the exam made us quite sure of a marvellous result.

Soon the results were published and our students were felicitated at CIMP on February, 15 for their stupendous performance. Our OMK was also awarded the 'Best Gurukula Award'.

It was truly a moment of extreme honour to have been conferred with such a prestigious award.

FELICITATION ON THE GO!

K2 GRADUATION CEREMONY

There have been countless moments that have inscribed themselves in everyone's life who are associated with OMK. Every day is a celebration here, irrespective of the field the celebration belongs to. The memories of VATIKA were so mesmerising that they were still afresh in our minds. But very soon we realised that it was time to bid goodbye to another batch of our tiny tinkles and wish them luck as they would be stepping from Pre-Primary Wing to Primary Wing.

The **Graduation Ceremony** of Grade K2 (Session 2018-19) was organised with great pump and show on **February 09, 2019** in the **Sharda Auditorium** of our school. The theme highlighted was '**FAMILY**'. The stage was set to have the charming toddlers perform their best of the moves and actions. The impeccable smiles of the children made all feel as if they had transmigrated into a different universe. The function was inaugurated by the traditional '**Lamp Lighting Ceremony**'. The occasion was graced by the presence of our patron, Shri Ramlayak Singh. A flurry of electrifying cultural programmes was presented by them. Certificates and badges were given to the students in different categories. It was a great success and the parents of the children enjoyed a lot.

BOARD EXAMINATION OF GRADE 10

OMK is now cherishing the moment whose seeds were sown six years back with lots of expectations and dedicated day-night efforts of its founder Mr. Rajesh Singh. The first batch of Grade 10 passed out with flying colours and proved its merit and excellence in the Grade 10 board examinations, 2017-18 . With the same expectations, our second batch also appeared for the board examinations. Their genuine smiles after the completion of their papers have assured us for their grand success. Now we are waiting for the official announcement of the result.

PLUS 2 AFFILIATION AN ACHIEVEMENT ONE OF A KIND

It is well said that hard work pays off.

With this line, we feel extremely delighted to share that this Spring Season has harvested a new accomplishment of our very own **Open Minds -A Birla School, Kankarbagh**. It is now a **Senior Secondary institution**. We are now **Plus 2** affiliated. It was something that everyone had been eagerly waiting. Every one strived hard to possess this achievement and finally we made it!

Thank you to each and every one who stood with us through our thick and thins. We hope to keep up our companionship in the days to come.
