APRIL & MAY

SESSION : 2019-20

Head Teacher

Mr Madhukar Jha

Dear Parents, Family and Friends of OMK

Somewhere I read that to judge how one developed is, we must not take into consideration the present scenario but move down to the roots from where one started. OMK, today stands sturdy with numerous recognitions and astounding achievements. But the journey to enjoy the happiness associated with the innumerable accomplishments has not been a sort of 'time travel'. It took six long years of unmatched hard work and sheer determination to make our very own ALMA MATER achieve the laurels. With the vision and the mission that we are moving ahead, we are absolutely sure that we will keep on cruising, marking new harbours.

I, on behalf of all my team members, welcome and greet you all in the new academic session 2019-20.

We are truly thankful to you for your immense co-operation and guidance. We expect the same level of trust and support in the nearing time.

The months of April and May were prominently inclined towards academics with a few vibrant activities. With the above stated lines, I, put forward the first NEWSLETTER for the months of April and May, Session 2019-20.

BEGINNING OF ACADEMIC SESSION 2019-20

The old withers away and the new flourishes. But the impact of the old stays forever engraved on the hearts of many. This impact of the old guardians the new to bloom and mark new boulevard.

The session 2018-19 was bid farewell and we were ready to greet another session (2019-20) with open arms. The academic session 2019-20 announced its arrival on 04.04.2019 with the steps of our Young Minds of the Primary Wing. The Middle and Senior Wing marked their advent on 05.04.2019 and finally the tiny pre-schoolers proclaimed their LANDING on 06.04.2019. The corridors teemed with heart-soothing smiles of the children as they made their ways to their new classrooms.

The confidence that brimmed in their eyes made all of us sense their forthcoming accomplishments and attainments. We wish them luck for their future.

WORKSHOP ON DISABILITY

The word 'disability' is no different from the word ability. People may think these words to be very similar to the two poles of the earth that can never meet. But we do not think such. Disability is the ability to do something different, going out of way and breaking all stereotypes.

To encourage students for becoming the part of Disability Awareness Campaign, a workshop was organized on 16.04.2019 by U.S. Consulate General, Kolkata, in association with Shishu Sarothi, Assam in our premises for promoting the inclusion of people with disabilities and ensuring an inclusive society.

Thirty five students from four schools across Patna (including ours) participated in the workshop. Sessions on disability awareness and various kinds of activities were conducted. The students pledged to try all possible ways to change people's opinions and outlook towards the disabled. The workshop proved to be a great source of information for all of us.

NINAD FOLK DANCE COMPETITION

Dance is not merely an art form. It is an emotion in itself. Every movement conveys a thousand meanings. It is one of the best ways to express for those who hesitate in sharing through words. It truly gives an identity to an age old saying that goes "Actions speak louder than words."

To exhibit the celebration of the World Dance Day, NINAD Folk Dance Competition was organised in Premchand Rangashala, Patna on 27.04.2019. Students from more than thirty schools across the state participated in the competition. Our school successfully bagged the Second Runner Up Prize in the event. To make place in the list of Top Three Performer Schools was an achievement that receives our applause and greetings.

A STROLL THROUGH VARIOUS ACTIVITIES

The introduction of the Activity Period has been one of the many best additions in the school curriculum. It is a very fruitful inclusion that allows the students to brush up their areas of interest. Let us have a look at few of the colourful activities that the students were involved in during the period.

FRUIT SALAD MAKING

ART AND CRAFT

LABOUR DAY CELEBRATION

The word 'labour' is not specific oriented. It refers to hard work and striving for better results and success. An institution marches towards the ambit because of the hard work of the management. But other departments such as Transport, Housekeeping and Security also play a very noticeable role in strengthening the institution.

To recognise and honour the unparalleled contribution of the above stated departments, the Labour Day was celebrated in the campus on 01.05.2019. A special assembly and a small cultural programme were also presented by the students of Grades 8 and 9 in their glory in Sharda Auditorium. The occasion was graced by the address of our Honourable Principal. Handmade cards and sweets were distributed by the students.

OMK MARVELS OF GRADE 10

Following the benchmark set by the previous batch (2017-18), the Grade 10 batch of 2018-19 has taken OMK a step ahead and has performed wondrously in the Board Examination of Grade 10.

Let's take a peek at the following result analysis.
