Dear Parents, Family and Friends of OMK

Greetings to all!

"Learning is a collaborative effort of devout teachers, impelled thoughts and ambitious parents."

Open Minds, Kankarbagh is striving hard to put in the best possible efforts in making our millennial, multifaceted and responsible learners. We, at Open Minds, try to inculcate moral values and transform each individual into a self-reliant and independent citizens. Our prime motive of education is to harness the students with the right blend of scholastic and co-scholastic activities.

While academic excellence is our major force to propel the students towards success, we also help in preparing the students for life ahead. We groom them to face the challenges of life and teach them to accept both failures and success.

I thank all my parents for the consistent support that enables us to achieve our educational goals. We pay our gratitude for their immense faith in us.

I am sure that OMKites will work in right direction to pursue their set targets and add to the grandeur of the school.

With the aforesaid words, I extend the NEWSLETTER for the month of November.

Sail through the thoughts and enjoy!

CHILDREN'S DAY CELEBRATION

How is Spring different from Winters?

Where Winters have chilly camaraderie with the atmosphere, the Spring has blossoms and radiance everywhere.

Same is with the children!

It's chilly without children, it's spring with them!

Children's Day was celebrated in the premises on November 14, 2019 with gaiety and blitheness. The entire day was clad with elating smiles and effervescence of the children. A celebration in their honour made them go crazy with happiness. Class picnics were organised and students had a great time with their peers and teachers. The smirks of the children were evident to the fact that the children loved the lovely surprise.

HAPPINESS AT ITS PEAK!

THE DEDICATED BRIGADE!

THANK YOU!

VISIT TO HINDUSTAN PRINTING PRESS

Newspaper is simply not a brochure talking about the NEWS. It is much more than that. It's entirely a contemporary world breathing within the pages. From when to why to how to where and to somewhere to anywhere to here and there, a newspaper has it all. An agile journey of the world if you wish for, just run your eyes, flipping the pages of daily and you are good to go.

OMKites of Grade 8 paid a visit to the Hindustan Printing Press, Neora, Patna on November 16, 2019. The students were extremely excited for the visit as it was their first outing from school with the students of the entire grade. Further they were also very keen to know the process of how a newspaper is printed. The visit proved to be very helpful for the students as well as the teachers for they became well acquainted with the entire process. Altogether it was an enlightening visit.

NO NEWS SHALL GO UNNOTICED!
