FEBRUARY AND MARCH

SESSION : 2019-20

Head Teacher

Mr Madhukar Jha

Dear Parents, Family and Friends of OMK

Days roll on and then the years experience the same; what remains eternal is the confederation!

Another end is knocking at the door but I won't be wrong to state that every end paves a path to a new inception. The session 2019-20 had been a very proportionate union of academics and activities and OMK has tried its level best to outshine in all possible fields. Our very own OMK has come up as a notable winner in all spheres and we believe that many more success stories are yet to be composed.

But all the attainments that OMK has in its palm have not been the outcome of efforts of a singular but of all our associates. We are exceedingly fortunate to have a scholarly crew of students, a great set of educators and extremely cooperative parents.

Keeping the same expectation alive, we stand at the threshold of signing off another remarkable session and are all ready to greet the new session.

With this I put forward the last report of the session 2019-20, the NEWSLETTER for the month of February and March.

EXSPRINT: THE SPRINT EXPERIENCE

Monotony is the biggest hurdle in one's growth. It hampers the intensity of interest of an individual and one cannot give the best of performance. Hence, monotonous actions must be broken. To get the best, one needs to divert from mainstream a bit and try hands in other things as well.

Our kids had been totally engrossed in academic tasks for around two long months and their eyes spoke how deeply they needed an outing to exhaust their stored energy. So, a sports outing cum event called EXSPRINT was organised at Patliputra Sports Complex on 01.02.2020 for all grades. The excitement and zeal was quite evident on the faces of the kids. Many sports activities like sprint, shot-put, relay race, football knock outs etc were the constituents of the event. The students illustrated an example of true sportsmanship and fair play. It was a great event and students enjoyed a lot.

WE RAN! WE FELT! WE WON!

WINTERATURE: A LITERARY EXTRAVAGANZA

To celebrate the love for Literature, the Department of English organised a literary festival, **WINTERATURE** from **04.02.2020 to 08.02.2020** in the school premises for grades 1 to 11. It encompassed a flurry of linguistic activities that covered the square of oratory and literary skills. The event was conducted in three phases which were:

ACT 2 SCENE 1 : PRIMARY WING

ACT 2 SCENE 2 : MIDDLE WING

ACT 2 SCENE 3 : SENIOR WING

Many events like Recital of Poem, Story Telling, English Elocution, Speech Competition, English Debate, and Extempore were conducted. About 300 students participated and 75 students were declared winners. The event gave an exceptionally deep literary touch to the premises. The event was a grand success.

K2 GRADUATION CEREMONY

Children are not things to be moulded, but are people to be unfolded! They are themselves a package which when unwrapped open a world full of experiences.

OMK celebrated its 6th K2 Graduation Ceremony on 23.02.2020 (Sunday). The event highlighted the theme of Incredible India. Dr. Shivajee Kumar, State Commissioner Disabilities and Dr. Uma Shankar Sinha, Secretary, Indian Association of Physiotherapist, Bihar graced the occasion as Guests of Honours. The occasion also had the presence of our patron, Shri Ramlayak Singh. The event also had the presence of prized dignitaries of Directors, Dr Reinhold Michalak and Mr. Rajesh Singh and Principal, Mr. Madhukar Jha. The function was inaugurated by the traditional 'Lamp Lighting Ceremony'. The Annual Report was shared by the Primary Wing Coordinator, Ms. Uttama Sheel. The event constituted an array of splendid performances where the tiny jingles of Grade K2 grooved and swayed at the flow of melody. Certificates and badges were given to the students in different categories. It was indeed a great evening. The event concluded with the Vote of Thanks given by the School Coordinator, Ms. Reshma Singh.

FELICITATION OF WINNERS OF HINDUSTAN OLYMPIAD

Rote learning is no more a call of the modern times. A student needs to match up with the growing demands of the field of erudition. To help students develop their knowledge, quizzes and Olympiads play a pivotal role. They compel students to step out of their comfortable cocoons and prove their excellence.

Keeping in mind the necessity of the Olympiads and quizzes for the all-round development of the students, Hindustan newspaper conducted the Hindustan Olympiad in our premises for Grades 1-10. The glittering faces of the children after the test made us enough confident that the results would be excellent.

Soon the results were published and four of our students, namely Diksha and Akshat Singh (Grade 11), Adwiti Banka (Grade 5) and Md. Rehan (Grade 3) were felicitated at Shri Krishna Vignyan Kendra, Patna on 27.02.2020 for their stupendous performance. It was truly a moment of sheer happiness to see our Omkites soaring high.

CONGRATULATIONS!
