FEBRUARY-MARCH

Session : 2020-21

Head Teacher

Mrs. Reshma Singh

Dear Parents, Family and Associates of OMK

Accept my profound greetings!

Dear Parents,

The organization extends a sincere thanks for supporting us in all our endeavours for the year by gone.

The jolt of Covid 19 has hit hard to the entire society. We hope that you and your families are all well and managing to keep safe. As we now approach the end of what has been a rather strange term, I express my sincere gratitude for the unwavering support and patience shown by you in the past 12 months.

I particularly appreciate for the proliferate support that you have been giving to grace and regard learning from home. We know how difficult it is to juggle working from home and cajole your own children with their schooling; and this is of course an addition to dealing with all of the normal challenges of family life. The school has also received a number of messages thanking it for its efficiency shown for the year passed, and these are all received very gratefully indeed.

We had successes and some challenges, yet despite all, we continued the work that had to be done to ensure the safety and educational needs of our students. There are countless people to whom we owe an expression of appreciation and hope that we continue working together in the coming years.

A key area in our plan is to reopen our school with strictly following the safety guidelines for each and every student. Presently, we have started with the senior wing and fortunately with all internal and external support the school is doing well.

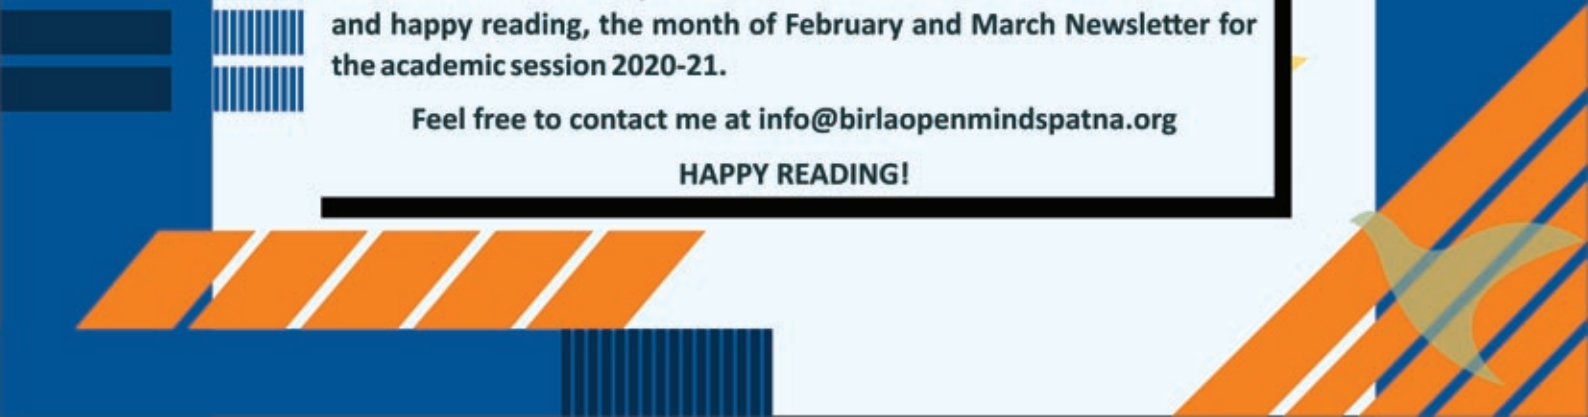

I also extend my greetings to all of the teaching staff who have continued to work exceptionally hard to ensure that the students are able to continue with their studies.

In closing, I would like to congratulate all the students of Open Minds A Birla School for successfully completing another year of academics.

We look forward to see you in the new session. Please be sure to be safe and happy reading, the month of February and March Newsletter for the academic session 2020-21.

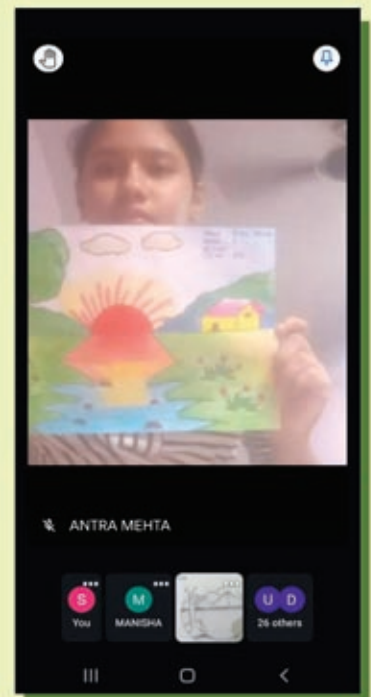

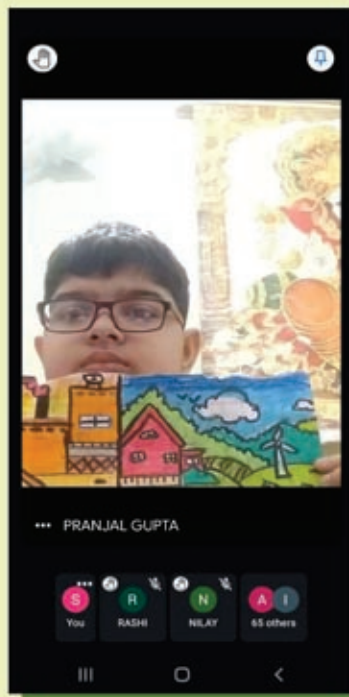

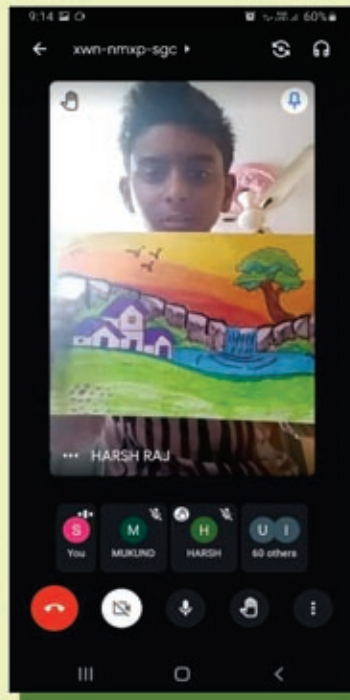

Feel free to contact me at info@birlaopenmindspatna.org

HAPPY READING!

Imaginations Exploring New Dimensions

Integrated Art Project

Art exposes the mind to develop and infuse oneself into varied emotions. It helps to bring out the inner you. With prolonged virtual classes on regular subjects, the school found it important to vibe up the students with span-new thoughts. Henceforth, we organized an online art activity to ameliorate the reflections of our students.

Art reflects the beauty of one's soul.

The Resuscitation of Open Minds A Birla School

We do clearly understand that Covid 19 has affected people on a large scale. The whole society has become vulnerable to the virus and still need to take appropriate measures. However, in the fullness of time, we are all fit to go ahead with the shift from online to offline. To begin with, we have resumed the classes for Grades 9 to 12 constituting all safety measures both in and out.

A sneak-peek of pictures of our regular in and out arrangements:

Aspire to inspire!

Pre-Boards: Offline Examinations

Examination aims at the test of achievement and success of every individual. After successfully conducting the online Pre-Board Examinations for Grades 10 & 12 we embodied the offline Pre-Board Examinations for Grades 10 & 12. It was particularly taken care that all students be given proper guard with enough safety and distancing while appearing for their examinations.

The above images show our concerns and securities for our students:

From caring comes courage.

The Preparations of the Cult of Educationalists

It took almost a year to propel back from online to offline. We at OMK are enthusiastic about the reopening of the school and awaiting to see the vacant classes to be jeered up with our students. Teachers are brimming with ideas to implement them in the classes. They came up with their consummate presentations showing their zeal to begin with the new academic session 2021-22.

Time is everything we have.

The Induction Ceremony: 2021-22

Every end leads to a new beginning. Though the previous year was difficult, it did teach us a lot and helped out to meet all the challenges. Eduletics was one such platform that was pioneered by the school to meet the needs of the virtual classes. With things moving back to normal, Open Minds a Birla School celebrated its Induction Ceremony marking the commencement of the new academic session 2021-22.

Be a voice of inspiration.

A Reflection of Wisdom in the Academic Planning

COVID-19

SAFETY TIPS

WASH HANDS PROPERLY
WITH SOAP.

CHECK BODY TEMPERATURE
REGULARLY.

MAINTAIN SOCIAL DISTANCE
OF 6 FT.

SANITIZE YOUR HANDS
