PRINCIPAL'S MESSAGE

"In the early light of summer's dawn, paths unfold through fields of green, each step a quiet promise of journeys yet unseen."

Dear Readers

We are thrilled to unveil the second release of our Newsletter, marking both this achievement and the successful culmination of our first month in the new academic year. The lines above evoke a sense of fresh beginnings and the excitement of adventures yet to unfold. With April now a memory, the months ahead shimmer with hopeful anticipation, promising fresh experiences and profound discoveries as we continue our educational journey.

With the season spreading its charm at its peak, the challenges humans confronted were difficult to be handled but still like every year's custom, we didn't fail to welcome the change and walked together fulfilling the obligations we are bound to. The thirst for knowledge remained undiminished even when the scorching heat reduced the school hours. Both virtual and in person classes seamlessly facilitated the syllabus completion, ensuring an uninterrupted academic journey.

Swiftly, the passage of time ushered in the commencement of the Pre Mid Term Examination, marking a shift from carefree days of laughter and joy to a phase of dedicated effort and earnestness. The students' remarkable resilience in adapting to changing circumstances was evident and inspiring. We hold firm belief in the unique abilities of every student to rise above the ordinary with effective guidance and support. Ultimately, it was through your care and support, dear parents, that our students faced their examination confidently. We deeply appreciate your invaluable contribution.

Against all odds, it was a heartwarming spectacle to witness nearly the entire student body gathered in the field, both as participants and spectators, creating a picturesque scene reminiscent of a grand event about to unfold. With teachers actively involved, the occasion, named the Eduletics Premier League, became a ceremonial affair where students joyously embraced the challenge under the blazing sun.

As the Term drew to a close, the summer break finally arrived, filling students with eager anticipation for a well-deserved vacation. They departed with dreams aplenty, leaving behind a profound silence. Nevertheless, their happiness remained our foremost priority, and we eagerly awaited their return to school.

The long-awaited day arrived when the school gates swung open once more after an extended summer hiatus. The echoing footsteps and animated conversations filled the corridors, infusing life into the once-empty halls. The classroom walls, which had long yearned for the return of students, resonated with the joyful hum of renewed activity.

As we embark on a new chapter in the academic journey, we greet each day with eager anticipation and a passion for understanding. In conclusion, we extend our deepest appreciation to all our cherished families for their enduring trust and support. Together, let us dedicate ourselves to guiding our students towards a future brimming with promise and opportunity.

We eagerly look forward to welcoming you on **June 29, 2024** for the Parent Teacher Meet.

Happy reading!

FRUIT FAIR

Excitement and cheer reverberated through the corridor as the young children emerged from their classrooms, portraying fruits brought to life. Despite their tentative steps on the floor, they displayed no fear of stumbling and eagerly explored the classrooms that offered a different perspective from their own.

Their appearance was charming and their speeches and expressions captivated everyone present as they eloquently portrayed various fruits. What particularly mesmerized the spectators was the sweetness and innocence that radiated from their personalities.

"A fruit exhibition is a celebration of the Earth's bounty, showcasing nature's sweetest gifts."

Here are a few memorable moments...!

A Fair of Freshness!

Sweet Summer Treats!

Celebrating Nature's Bounty!

"At the fruit fair, kids shine bright,
dressed as fruits, a delightful sight."

A Celebration of Freshness!

"A parade of fruits, so vibrant and sweet, students in costumes make fair a treat!"

Pre Mid Term Examination

**"In the face of exams, rise with grand plans.
Through challenges and spars, victory lands."**

As the months swiftly passed, the impending examination period arrived abruptly, catching minds still immersed in settling students into a new academic year at a new school. Despite this whirlwind of adjustments, the show must go on, and so it did. With just a month to prepare, the syllabus was swiftly organized ensuring learners were adequately equipped to face the first challenge of the Academic Year. Their diligence and dedication shone brightly as they entered the examination hall, each student's preparation was evidently visible in their poised demeanor and focused approach to the papers. Here are a few memorable moments...

"Exams test the will,
but with skill, dreams fulfill."

EDULETICS PREMIER LEAGUE

Cricket is a sport that captivates the hearts of both players and spectators alike, surpassing the boundaries of mere participation. It is akin to a festival, eagerly anticipated by many. To fulfill this excitement, the school management decided to organize a Cricket Premier League in the school premises, involving the entire school community to create an experience as thrilling as the IPL.

"Through each wicket, through every cheer,
students' spirits conquer fear."

"On cricket fields, young hearts unite, chasing stars, through day and night."

The morning of May 13th dawned beautifully, presenting a picture-perfect scene with the cricket pitch immaculate, the equipments ready, the spectators eager, the players enthusiastic, and the commentators prepared. The atmosphere was electrifying, with everyone in high spirits, committed to enjoying the day to its fullest. The teams named **Warriors** and **Challengers** exemplified exceptional sportsmanship, with the Challengers emerging victorious in the league, while the Warriors secured the position of runner-up.

The day carries profound significance in the academic calendar, etching indelible memories in the minds of students. Here are a few enchanting glimpses...

"With victory's glow and hearts alight, the winning team basks in pure delight."

"The strength of the team is each individual member. The strength of each member is the team." – Phil Jackson

The tireless dedication of our invaluable workers is the cornerstone of our organization's success. Their relentless hard work deserves recognition beyond any specific date; each day reflects the profound effort our non-teaching staff puts in to flawlessly prepare for the school day.

To honor these unsung heroes, our students presented a moving program, showcasing the various facets of their lives and the sacrifices they make, regardless of time or situation. To make the occasion even more memorable, the school management extended a ceremonial welcome, followed by refreshments, as a gesture of our heartfelt gratitude and appreciation.

"Your effort and care make a difference."

Our students, celebrating the hardwork and dedication of our workers on Labour's Day.

"From dawn's first light to setting sun, workers' deeds are never done."

"Through sweat and toil, day by day,
they light our paths in every way."

A Shift to Virtual Learning!

"In adversity, we find strength. In online education, we find continuity."

In this unpredictable world, the education of young minds has not been spared from disruption. Nature's retribution for mankind's neglect of our planet may become even more severe if our harmful actions persist. This has left humanity grappling with extreme weather, forcing students to remain confined at home as schools close their doors.

Yet, technology emerges as a beacon of hope, bridging the gap between education and circumstance. It demonstrates that learning can flourish even amidst the harshest conditions. The transformative power of online education affirms that when the world stands still, education does not; it adapts and perseveres through innovation and determination.

Here are a few glimpses that beautifully capture the seamless coordination between teachers and students in the effective delivery of virtual classes.

"With every login, we unlock doors, exploring worlds, our knowledge soars."

"Distance fades, knowledge flows,
in virtual halls, curiosity grows."

Mother's Day

"A mother's love is the guiding light,
a beacon in the darkest night."

Mother, a word spoken endlessly yet each utterance resonates uniquely, distinct from all else we hear. This lifetime feels insufficient to express gratitude to the supreme power that nurtures us from within before bringing us into this world, shielding us from negativity, and instilling steadfast faith in ourselves—the divine power embodied by our mothers.

This year's Mother's Day held acute significance as children across all grades meticulously crafted personalized cards for their mothers. Witnessing students engage in this traditional art in the thick of a burgeoning digital age underscored the rarity and beauty of such heartfelt gestures. Following instructions, students tenderly presented their tokens of love, immortalizing the moment with selfies shared through Taskify.

The day culminated in a heartfelt cake-cutting ceremony, where joyous laughter echoed as students, united, delicately sliced through the cake's surface. This collective celebration forged lasting memories, etching the day into the hearts of all involved.

"A mother's hands, the first to hold,
her love, a story forever told."

Yoga, the serene dance of body and breath, is a timeless practice that harmonizes the rhythms of mind, spirit, and physical form. 21st June, 2024 was graced with a touch of elegance as our teachers gracefully assumed their positions on the ground, engaging in a harmonious flow of yoga asanas under the esteemed guidance of our seasoned yoga experts. Their poised movements and dedication not only enriched the atmosphere but also demonstrated an abject commitment to wellness and mindfulness.

"Inhale peace, exhale love-
connecting hearts on Yoga Day."

INTERNATIONAL YOGA DAY

"Yoga's silent language speaks peace to every heart."

"Yoga: Where the body bends, the spirit soars."

"Where breath meets movement, serenity finds its place."
