## PRINCIPAL'S MESSAGE

Dear Readers

We extend our heartfelt gratitude to our extended family members for their resolute support and companionship on this educational journey. As October draws to a close, I trust you all enjoyed a wonderful time together with family during the Durga Puja break, creating cherished memories.

Reflecting on the days leading up to the Durga Puja break, we feel a sense of nostalgia as we recall our students' enthusiasm for the Dandiya festivities. Even the boys eagerly embraced the Navaratri celebrations with full vigor and joy. For nearly a week, the premises came alive with songs that filled the air with a contagious excitement. Dressed in vibrant ethnic attire, our students beautifully enhanced the school's atmosphere, adding a festive charm that was truly unforgettable.

As the festivities concluded and the break came to an end, students returned to school, resuming their classes with renewed dedication. To help them prepare seamlessly for the Post-Mid Term, we introduced the second round of Practice Tests, ensuring the syllabus felt manageable and alleviating any undue pressure. We deeply appreciate our students' attentiveness and their positive response to our requests to follow the schedule for PSAs and PSA Tests – an endeavor they undertook with commendable commitment.

Throughout these months, our students have demonstrated remarkable growth, evident in their morning assembly presentations. Each time they take the stage, they surpass their previous efforts, delivering their ideas with a poise that leaves everyone captivated. While achieving full mastery over language fluency may take time, their progress assures us that by the time they graduate, they will step forward as eloquent and self-assured speakers.

As we approach the Diwali and Chhath break, marking the final chapters of this year's cherished festivals, we wish for the energy and positivity of these celebrations to become an enduring part of our spirit. May this time not only bring the delight of savoring festive treats but also offer the warmth of moments spent with loved ones, crafting memories that echo through time. Let us immerse ourselves in the spirit of joy and devotion, returning with minds ignited by creativity and hearts prepared to embrace the challenges that lie ahead.

Wishing you a delightful reading journey!
